Three years after the tragedy, Jackie Garcia, Andy Garcia's niece, married Shay (top pictured) in a private ceremony in Miami on Saturday night. Shay is available to Shay, who was in the ring with the blushing bride. It's been a long road for Jackie, who was with Taylor in the nighthouse invaders who shot the former Redskins player. Their 18-month-old daughter was in the room. UPDATE: TMZ learned Pharrell is not just an ordinary guest ... He was the best man. Chris Brown performs during the reception. Share on Facebook TWEET This Pharrell Williams is a singer, songwriter, rapper, record producer, fashion designer and entrepreneur. He is best known as half of the record-breaking production duo 'Neptune', alongside Chad Hugo. However, he is also a solo artist and has collaborated with many other artists throughout his career. Moreover, he has participated in a number of business ventures that cover many different industries. He has enjoyed such a level of success throughout his career that he is now believed to have a personal net worth of \$150 million. How did Pharrell Williams get so rich? At the beginning of the year, Pharrell Williams met Chad Hugo at summer camp. None of them enjoyed the summer camp, so they joined forces to use the time to create beats together. The duo went on to form Neptune with two of their high school friends, Mike Etheridge and Shai Haley. When they were on a high school talent show and were discovered by studio owner Teddy Riley, who signed them when he graduated. Early in his career, Neptune became a duo and Williams and Hugo also worked together as solo performers. In 1994, Neptune was established in the music industry and signed with Arista Records. Most of the first years have been spent collaborating with other artists or producing music for other acts. In the 1990s, the duo continued to collaborate with other artists and produce their work. This helped them gain widespread fame. They flocked to the search and worked with many stars, including Jay-Z and Britney Spears. Neptune also released its only album, The Neptunes Present... In addition to working as Neptune, Hugo and Williams teamed up with Haley to form a separate group called N\*E\*R\*D in 2002. Since the band's inception, they have released a total of five albums. The first of these is In search of... Then in 2004 it was followed by Fly or Die and the 2008 album Sleeping Sounds. Then they released Nothing in 2010. Their last album is Never Really

Dies, which is released in 2017. Despite working as part of both Neptune and N\*R\*D, Williams also began to focus on her solo career. In 2006, he released his first album, In My Mind, and began collaborating with other artists who parted ways with Hugo and Haley. His Success Asrding to Biography.com, Williams enjoyed his greatest success as a solo artist with the hit single Happy. This has not only been a topping hit in the US and UK, but also the soundtrack for the animated comedy film I'm A Hit. In the same year he also enjoyed huge success with two singles, which he co-wrote and The first of these was Robin Gide's Blurred Lines, and the second was Daft Punk's Get Lucky. For the latter, he won two individual Grammy Awards for record of the year. She then released her second solo album Girl in 2014. Pharrell Williams is estimated to have a net worth of \$150 million. Although most of that money comes from his work in the music industry, it's not the only way Pharrell Williams has become so rich. Williams has worked in film and television for several years. Whoever is best known is as coach of The Voice between 2014 and 2016. He was chosen for this role as A.Lo Green's replacement. He is also the narrator of the 2018 Grinch adaptation Pharrell Williams, an entrepreneur who has been involved in many business ventures. He started the multimedia collective and record company, which I am OTTO IN 2012. This led to Williams launching a YouTube channel of the same name a few years later. He has also participated in several endeavors in the field of fashion, beauty and accessories. His first venture in these fields was a streetwear brand called billionaire boys club, which he founded with fashion icon Nigo. The duo have also collaborated on a number of shoes called Ice Cream. The fashion label then expanded to include Billionaire Girls Club. Willaims has also developed a unisex fragrance in collaboration with Comme des Garcons, designed sunglasses and jewelry for Louis Vuitton, designed furniture with Emmanuel Perrotin, created a line of sunglasses for Moncler, launched a collection for Uniqlo and designed a series of sneakers with Chanel and Adidas. In addition, he has been in a long-term partnership with Adidas since 2014. In Pharrell's personal life, he is happily married to model and designer Lassiah. The couple had been in a long-term relationship for many years before they married in October 2013. Together, they have a son called Rocket Williams, born in 2008. The family lives in a luxury mansion in Laurel Canyon, Los Angeles. It's a property williams bought in 2015, Pharrell Williams continues to enjoy a successful career in the music industry as well as juggling many other business ventures. Therefore, its net worth of \$150 million is likely to increase significantly in the future. He also spent some of his time on philanthropic activities, as he participated in many charities, including One Hand to Anotti. It's a charity he founded to support at-risk youth in the US.
